

THE DRAWINGS

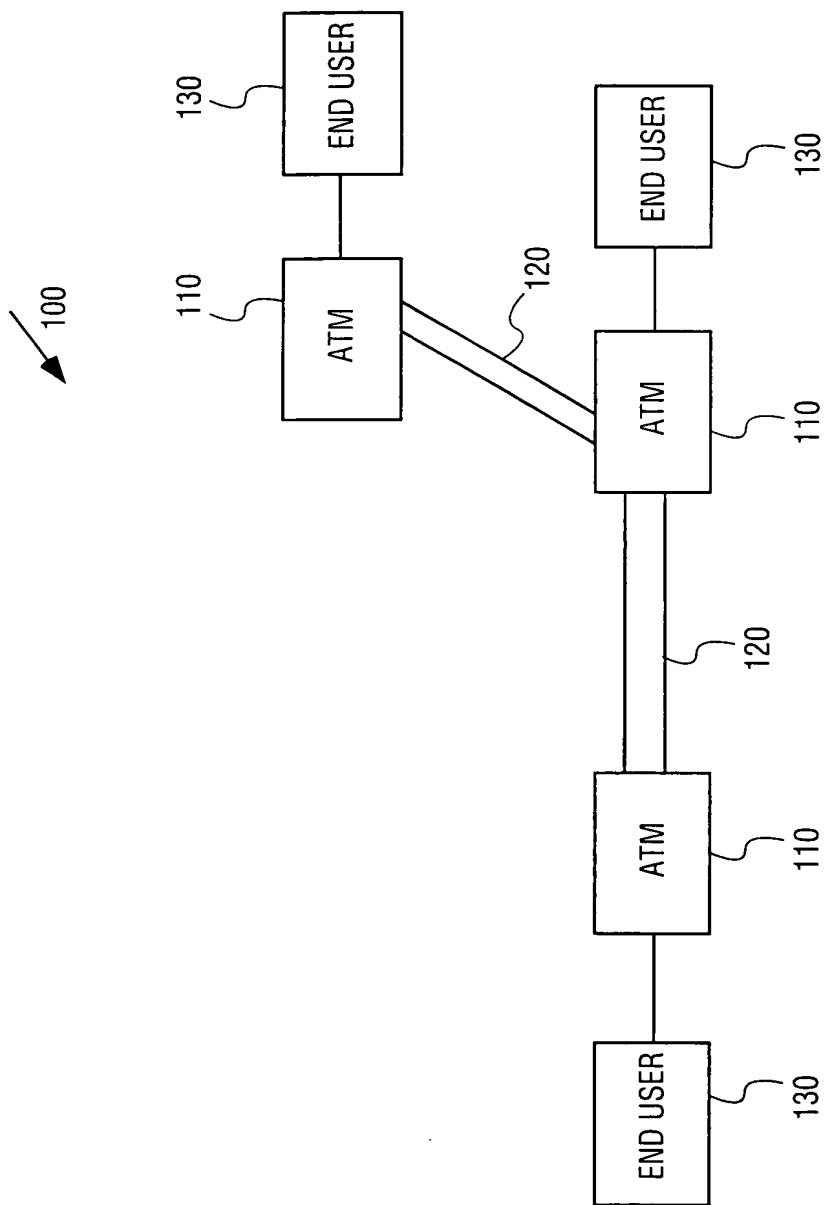

The attached drawing sheets include a change to Figures 1A, 1B, and 3. The sheets which include Figures 1A, 1B, and 3 replace the original sheets including Figures 1A, 1B, and 3. It is respectfully submitted that the proposed amendments to the drawings do not add new matter.

The drawings were objected to because Figure 1 [sic] should be labeled as prior art and figures 2 and 3 should have each block labeled. Figures 1A and 1B have been amended to include a prior art label. Figures 2 and 3 have been reviewed and it appears that figures 2 and 3 do have each block labeled. In an attempt to be responsive to the drawings objection, Figure 3 has been changed to clarify some of the block labels. If the Examiner continues to have an objection to Figures 2 and 3, applicant requests that the Examiner more precisely indicate what the Examiner indicates to be improper about the block labels. The Examiner is invited to contact the undersigned attorney to clarify any further objections to the drawings.
